

"HOW TO" on WeMAR.org

How to Log In for the FIRST Time

1. Go to www.WeMAR.org
2. Click on "LOGIN" in top left corner above the WeMAR logo
3. Enter your NRDS#/MemberID
4. Enter your password
5. Click the green "login" button

6. Select a Security Question of which you will remember the answer
7. Enter your answer to the Security Question
8. Click the green "Submit" button; a conformation will display
9. Click the green "Continue" button

This will bring you to your Business Profile.

You are now logged in and may move through the site.

Login FAQ

Q: I don't think I have a log in for WeMAR.org. I do I get one?

A: All WeMAR members are automatically registered on the WeMAR.org website. An email from no-reply@wemar.org was sent to your email on file containing your username and password. If you did not get this email, contact our office through the "**CONTACT US**" link in the top left corner of WeMAR.org or call our office during business hours at 623.931.9294.

Q: I do not remember my username and/or password. How do I retrieve them?

A: When you log in for the first time, you will be asked to set up your **Security Question & Answer**. Once this is set up, you will be able to click on **Forgot Password** to have your password reset and emailed to you.

Q: I copied and pasted my password into the password field and it doesn't work. Why is this?

A: Many times you pick up an extra space when you copy. This will give you an extra character; therefore, the site does not recognize the password to be true. If you copy and paste your password, **just be sure there are only eight (8) dots pasted in the password field**. If there are nine (9), just delete the last one before you click submit.

If you already clicked submit and cannot log in, please contact our office through the "**CONTACT US**" link in the top left corner of WeMAR.org or call our office during business hours at 623.931.9294 to have your password reset and emailed to you.
