

**New REALTOR Benefits® Offering  
from FedEx Office  
"My FedEx Rewards"**

Marketing & Business Development is pleased to announce that NAR members now have an added benefit when participating in the FedEx Advantage® program. Through REALTOR Benefits®, members who sign up for the My FedEx Rewards program will earn 50 rewards points for each whole, pre-tax dollar spent on eligible FedEx Office or FedEx Office® Print Online purchases-----**that's an earn rate 25% higher than that offered through the standard program**--- thanks to NAR's REALTOR Benefits® partnership with FedEx Office.

FedEx Office was added to NAR's REALTOR Benefits® Program roster in April 2010 providing REALTORS® access to special member discounts on a variety of services they use every day. FedEx Office locations are plentiful and provide convenient access to printing and shipping expertise with reliable service when and where you need it. These centers provide a single resource for small businesses as well as an office on the road for busy real estate professionals who are often on-the go.

The Fact Sheet below provides more details about this exciting offer available to NAR members. For questions about this or the REALTOR Benefits® Program, please contact me at x8269, or a member of the REALTOR Benefits® team listed below.

Thanks,  
BOBG
