Caring Agents Responding to Emergency Situations

If tragedy finds its way to us, the devastation can be overwhelming. Whether it is an illness, serious injury or a catastrophic event that hinders your ability to earn a living, the WeMAR C.A.R.E.S. Fund may be able to assist you in the future.

There are numerous charities available to aid many overcome by illness and misfortune. The WeMAR C.A.R.E.S. Fund brings compassion and assistance home. WeMAR needs your help raising proceeds to assist you and/or fellow WeMAR members in need.

There are multiple ways to donate. Your time and expertise are valuable. The WeMAR C.A.R.E.S. Committee invites you join the committee and/or participate in the various *Sparkling Nights* workgroups. Perform your talent at the first *Sparkling Nights* show performed September 20, 2010.

Golfing the *Bruce Sumner Memorial Golf Tournament* and attending *Sparkling Nights* adds to contributions raised. Individual donations are welcome.
