

How to Create a **Virtual Tour for FREE!**

**STOP spending big bucks to create virtual tours when
you can do it yourself for free!**

Sun City Location Classroom

May 5, 2008 9:00am-1:00pm

9:00am -11:00am Classroom

11:00am- 1:00pm Lab(Create Virtual Tour)

Cost: \$30.00(includes instruction book)

Learn how to:

- Assemble your tool box
- How to take pictures & create a “flow plan”
- How to use your photo software
- Create photo transitions
- Add text to your photos
- How to upload & share your finished product

For the best learning experience attendees need to bring:

- 1) Their Cameras (or a CD) with 10-12 pictures of a home or listing photos
- 2) A smart media reader or wires needed to download pictures from the camera to the computer
- 3) Their laptops with Microsoft Photo Story 3 already loaded(Download for free at the Microsoft Download Center)
