You Could Have Overpaid Your Taxes By \$11,438 (Yikes)*

Many of us assume our accountants take care of our taxes... but forget that WE are the ones giving them the numbers and records they are using to prepare our tax return.

This seminar is guaranteed to identify between \$2,500 and \$27,500 in NEW deductions that can be used right away to pocket thousands in tax savings. These deductions are based in tax LAW, but presented in simple English that all of us can easily understand.

You'll learn:

1. THOUSANDS in new, legal, and easy to use tax deductions, backed by tax code and court case precedent.
2. SIMPLE recordkeeping and documentation tips to "bullet-proof" each deduction AND save you time while doing it!
3. MARKETING/TAX STRATEGY COMBINATIONS that will increase your referrals and SALES... Putting more in your pocket 2 ways!
4. HOW TO GET Uncle Sam to send BACK money you overpaid in previous years. You could have your refund check in 2-6 weeks.

This seminar is presented by Ron Reed of Bradford and Company, Inc., and excerpted from the Bradford and Company, Inc. *Tax Strategies for the Self-Employed* 8-hour audio course (available at the seminar).
